\* Applicants can choose up to 6 time periods and zone combinations. 'First choice spring applicants' represents only the first choice selection of each applicant, this number does not represent every option of all applicants.

<sup>A</sup> A permit is issued through the lottery drawing by evaluating every option of zones & time periods the applicant would accept in the order in which they made selections. A maximum of one permit can be awarded through the lottery drawing.

<sup>B</sup> All options of all applicants are evaluated to issue one permit to as many applicants as possible before any over-the-counter permits are issued. Permits remaining after the lottery drawing are issued over-the-counter on a first-come, first-served basis until the quota is met.

## Spring 2007 Turkey Hunting Zones

The application deadline for the spring 2007 wild turkey hunting season is December 11, 2006. Applications cost \$3 and are available at any DNR Service Center, ALIS licensing agent, on the website [dnr.wi.gov](http://dnr.wi.gov), or by calling 1-877-945-4236.

Applicants should read and follow instructions printed on the spring turkey permit application (form 2300-118). Applications will be evaluated for all zone and time period possibilities. Applicants should list all options they would accept on the application. Under no circumstances will permits be switched for different time periods or zones. A permit can only be issued if you list that time period or zone on your application. To have the greatest chance at receiving a permit through the lottery drawing list all six time period on your application and several zone choices. Note: zones with a number and letter combination (for example: 5A) are state park zones. Permits in state parks are limited and hunting is restricted to only within the park boundary.

If permits remain after the lottery drawing is complete, remaining permits will be issued on a first-come, first-served basis (at a date to be determined later). These permits will be made available for purchase over-the-counter until the quota is met. Permits will be issued on a one-per-day limit.

Wisconsin's first youth spring turkey hunt is set to open in 2007 and will take place on April 7 and 8. This hunt will be open to persons 12-16 years of age (both residents and non-residents) that possess a spring turkey license, stamp, and a valid permit/carcaass tag for spring 2007. The permit/carcaass tag can be for any hunting period of the spring 2007 season, but hunters are limited to the turkey management zone in which their carcaass tag was issued for. For more information see the *Spring 2007 Wild Turkey Hunting Regulations*.

### Spring turkey youth hunt – April 7 and 8

#### Time periods:

- A) April 11-15
- B) April 18-22
- C) April 25-29
